1. **LncRNAs whose genes are located at or near the protein coding gene ATR**

   ![Genomic mapping showing the lncRNAs whose genes are located at or near the protein-coding gene ATR.](image)

   **Table 1.** The LncRNAs whose genes are located at or near the protein coding gene ATR.

2. **Non-coding ceRNA of the protein coding gene ATR**

   ![](image)

   **Table 2.** The LncRNAs predicted to be ceRNAs of ATR mRNA.
